

Ngunguru School Fund Raiser Horse Ride

Saturday 9th February 2019

Clements farm

Omaikao road (off Kaiatea Road)

Advanced and fast intermediate ride (experienced riders)

Travel at your own pace with etiquette observed if passing other slower riders. Some steep hill terrain with water crossings some metal formed tracks and water crossings, a good standard of fitness is required. A lap will take approx. 3 -3.5 hours (time confirmed) Short cut options are available.

Intermediate slower ride(experienced riders due to the terrain)

A more sedate pace with some trotting and cantering, travel at your own pace with etiquette observed if passing other slower riders. Some steep hill terrain, encompassing some metal formed farm tracks with water crossings, a reasonable level of fitness is required. A lap will take 2.5-3hours (time confirmed) Some short cut options will be available.

Junior and novice guided track (new riders, parent and child teams, riders wanting a scenic relaxed ride)

Walking is the preferred pace , rolling hill terrain, encompassing predominately metal formed farm tracks with water crossings, a lap will take 1.5-2hours (time confirmed)

All trails will be well marked and there will be horse rider marshals front , middle and rear.
There will also be roaming quad bike marshals.

Your support will benefit our school.

Spread the word - save the date!
