Proposed Facebook Rules

The purpose of our Facebook group, named Ngunguru School Parents is to provide an online community for parents and caregivers of the students at Ngunguru School. The group is not for students, and we ask that no content be posted by children.

It is a place to share news and information, and ask questions directly relevant to the children of Ngunguru School.

1. Please be kind and respectful to all.
2. Posts are to be relevant to the students, this is not a place for funny posts, memes etc.
3. Any adverts must be for free child focused events, after school care/holiday programs, or for opportunities for the kids to better themselves or fund raise. There are lots of other community sites for other adverts.
4. This is a private group and you must be a parent or guardian of children at the school to be a member. You will be asked who that child is in your membership application.
5. Administration is run by FoNS (PTA) and we reserve the right to remove inappropriate posts.
6. FoNS members will try our best to keep you informed of happenings at the school, but see below
7. This is NOT an official school group, and is not an official communications channel to the school - please contact the office and/or your child's teacher if required. This especially applies to complaints about students/teachers/other parents and guardians, the FoNS is not the vehicle to deal with that. We encourage parents to contact the school when issues arise. If you have a concern, please let the school know before sharing negative personal views online. Also refer to Ngunguru School's [Complaints Policy](#).

Meeting ended: 8.00 pm

Next meeting: 4th May - Tuesday 6.00pm
